

# For Lovin' Me

C C7 F  
That's what you get for lovin' me  
C C7 Dm C  
That's what you get for lovin' me  
F Dm  
Ev'ry thing you had is gone

G  
As you can see  
C7 C F  
That's what you get for lovin' me

C C7 F  
I ain't the kind to hang around  
C C7 Dm C  
With any new love that I found  
F Dm  
'Cause movin' is my stock in trade

G  
I'm movin' on  
C7 C F  
I won't think of you when I'm gone.

C C7 F  
So don't you shed a tear for me  
C C7 Dm C  
B'cause I ain't the love you thought I'd be  
F Dm  
I got a hundred more like you

G  
So don't be blue  
C7 C F  
I'll have a thousand 'fore I'm through

C C7 F  
Now there you go you're cryin' again  
C C7 Dm C  
Now there you go you're cryin' again  
F Dm  
But then someday when your poor heart

G  
Is on the mend  
C7 C F  
Well I just might pass this way again

C C7 F  
That's what you get for lovin' me  
C C7 Dm C  
That's what you get for lovin' me  
F Dm  
Ev'ry thing you had is gone

G  
As you can see  
C7 C F  
That's what you get for lovin' me
